Technical Data Sheet

Megatron Hand Cleaner Gel

Description

Megatron Hand Cleaner Gel is a ready-to-use cleans the dirtiest hands without drying out the skin or leaving a greasy film behind.

Application

Megatron Hand Cleaner Gel can be used to remove grease, grime, soot and other industrial contaminants. Megatron Handcleaner with Gel should be applied to the hands and forearms, and massaged into the skin where dirt accumulates, paying particular attention to the fingernails and remove under running water to leave hands smooth and soft.

Benefits

- Reduces time wastage and hygiene cost.
- Effective across a wide range of applications from heavy industrial to rural.
- Improved health and safety practice.
- Safe for everyday use.

Directions for Use

Apply Megatron Handcleaner Gel to hands and rub hands together in a rubbing motion. Rinse clean under running water. For tough soils, repeat as necessary.
