

# Semi-Synthetic 10W-40 CI4/SL

High performance, semisynthetic, heavy duty diesel engine oil

Ultron 10W-40 is a high performance, semisynthetic, heavy duty diesel engine oil. It is manufactured with outstanding quality base oils and high performance additives which allow low temperature fluidity. Optimal thermal stability, very low volatility, constant engine performance and excellent protection of all parts and components.

Ultron 10W-40 recommended for use in high performance and highly stressed engines. The synthetic component not only provides exceptional oxidation stability and outstanding engine cleanliness, but also ensures low wear rates and excellent protection of engine components.

These features are critical in high performance and high revving engines including turbocharged, supercharged and multivalve units, especially those fitted hydraulic tappets.

## Key Benefits

- Excellent low temperature properties – immediate protection on start-up.
- Optimal oil consumption and exceptional engine cleanliness
- Improved fuel economy and power output.
- Superior lubrication – Reduced wear/emissions and increased engine life.

**>11** Exported to 11 of the  
harshest African  
countries.

**>1500** Over 1500 satisfied  
customers trust  
Tron Lubricants.

## Specifications

- API: CI-4/SL
- AECA A3/B3/B4-08
- MB228.3/229.1
- MAN 3275
- MTU-TYPE 2
- GLOBAL DHD-1
- MACK EO-M+
- JASO DH-1
- VOLVO VDS 3
- ALLSON C4
- CUMMINS 20077/78

## Performance Standards

SAE No.	10W-40 CI-4/SL
Viscosity, cSt @ 40°C	98.8
Viscosity, cSt @ 100°C	14.2
Viscosity Index	155
Flash Point, °C	224
Pour Point, °C	-36
Total base No., mg KOH/g	10

The values of the specifications shown in this table are typical values given as an indication only.

## Health and Safety Information

For recommendations on safe handling and use of this product, please refer to the Material Safety Data sheet available on [www.tronlubricants.com](http://www.tronlubricants.com)

### Preferred Partner

First and only focus on lubricants;  
First choice for the customer based on:

- World class development
- First class quality
- World class customer service
- First class logistic solutions

### Environmental Care

Tron Lubricants is dedicated to the highest level of Environmental Care. Tron Lubricants has developed a unique “Cradle To Grave” solution & is committed to collecting/disposing every drop of product it produces in a safe and environmentally friendly manner. Consult your Tron rep today for more information.

### Productivity

Tron Lubricants offers the highest quality lubricants coupled with class leading additive technology to ensure that your machinery never lets you down. Tron Lubricants gets working when the work gets tough! Tron Lubricants is a brand you can truly rely on.
